

Mixed Summer Foods The Cause Of Much Indigestion

SUMMER days are days of careless living, kitchens too hot for cooking, cold lunches at the homes of friends, open-air picnics, with the result that many a family is down with indigestion.

Give the stomach and bowels a new start by taking a dose of a good laxative—like Dr. Caldwell's Syrup Pepsin. Then put variety into your diet by eating more warm food. It is more easily digested.

A bottle of Syrup Pepsin can be bought at any drug store for 50c and \$1, the latter the family size. It acts so gently and safely that it can be given even to a baby in constipation, indigestion, "summer colds" and similar ills.

The formula on which Syrup Pepsin

is based was written by Dr. Caldwell over 30 years ago. It is a combination of simple laxative herbs with pepsin that trains the stomach-muscles to do their work naturally so that medicines can again be dispensed with. Over 6 million bottles of Syrup Pepsin are sold by druggists every year. That is recommendation in itself.

If you have never used Syrup Pepsin, send your address for a free trial bottle to Dr. W. B. Caldwell, 480 Washington St., Monticello, Ill.

The Kentucky State Fair to be in session at Louisville, Sept. 8, 9, 10, 11, 12, 13, 1919 bids to be the most interesting of all her sessions. There are offered in cash premiums \$110,000. There is a Saddle Horse Stake of \$10,000, a Beef Cattle Show of \$20,000, a fat and feeding Cattle Show of \$20,000, Dairy Cattle of \$60,000, Swine Show of \$5,000, etc. No state fair in the county is going to eclipse Kentucky's this year. Agriculture Commissioner Mat Cohen has made the State fair what it is today and deserves by far the lion's share of the credit for it's being the magnificent success it is today. It is fitting that this year, the last of his term as head of the State's Agricultural Department, shall witness the greatest success of a State fair in Kentucky.
